Youth Outreach Project – Light Up the World

You can help the youth by writing a check payable to Christ Episcopal Church this Sunday designated for the Solar Light Project. The solar light panel is ideal to provide light for reading, homework, and to recharge cell phones in countries where there is no electricity. The Rev. Zachary Drennen will be traveling to Kenya later this month, and the youth would like to send several solar light panels with him. The cost of each panel is \$110, but any amount will be appreciated. The youth of Christ Church are looking into additional ways to be involved in the Solar Light Project.
