Security at Christ Church and St. Barnabas

Recently there have been a couple of attacks on houses of worship which always brings questions about security at the Christ Church campus and St. Barnabas campus. To remind the parish, the Building and Grounds Committee, with Vestry review, implemented an official recommendation of locking all doors on Sunday **during services** except the front doors of CEC and St. Barnabas and the Memorial Garden doors at CEC. (The Memorial Garden gate is locked at all times.) We realize that this may create an inconvenience and apologize. But the Committee felt it was prudent to adopt such a policy.

On weekdays and Saturday, all exterior doors at both campuses are kept locked.

Chuck Critchfield, Junior Warden and Building and Grounds Chairperson
